Total Orders	Gross Sales Volume	Total Revenue	Total Transactions
90,000	**$48,731,323.38**	**$51,369,258.51**	**90,000**
All-time history	No double counting	Net orders amount	Captured payments

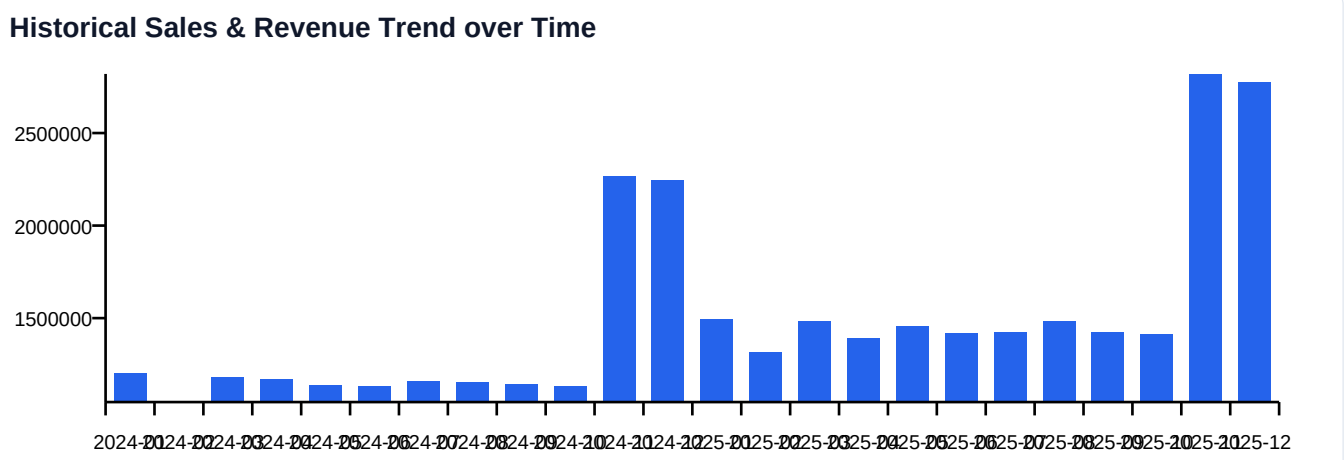

Key Analytical Findings:

- Reporting period dynamically calculated: previous complete calendar month is 2026-10-01 to 2026-11-01.
- Revenue aggregation verified: distinct order-level sums prevent multiple-item double counting.
- Sales volume and transactions tracked across all 33 historical calendar months.
